Wayne James' Seasonings for Men is an all-natural, "quick-fix" herb-and-spice blend by *Manly Manners* author, fashion designer, lawyer, and former senator Wayne James. Formulated for the modern man, the seasoning-blend is based on a guarded recipe that has been in the James and Messer families of St. Croix, Virgin Islands, since the mid-1700s.

Uses: As a preparatory dry-rub for fish and other seafood; or for flavoring soups, salads, sauces, gravies, dips, vegetables, eggs, Bloody Marys, etc. Use also as a fix-all, "tweaking-seasoning" to improve the overall flavor-profile of savory dishes.

Directions: Sprinkle onto cuts of fish or whole fish (including the cavity) as a preparatory seasoning and allow to dry-marinate for at least 15 minutes before cooking. Sprinkle into soups, sauces, gravies, etc., during the cooking-process. Use also to enhance tuna salad and seafood salads.
